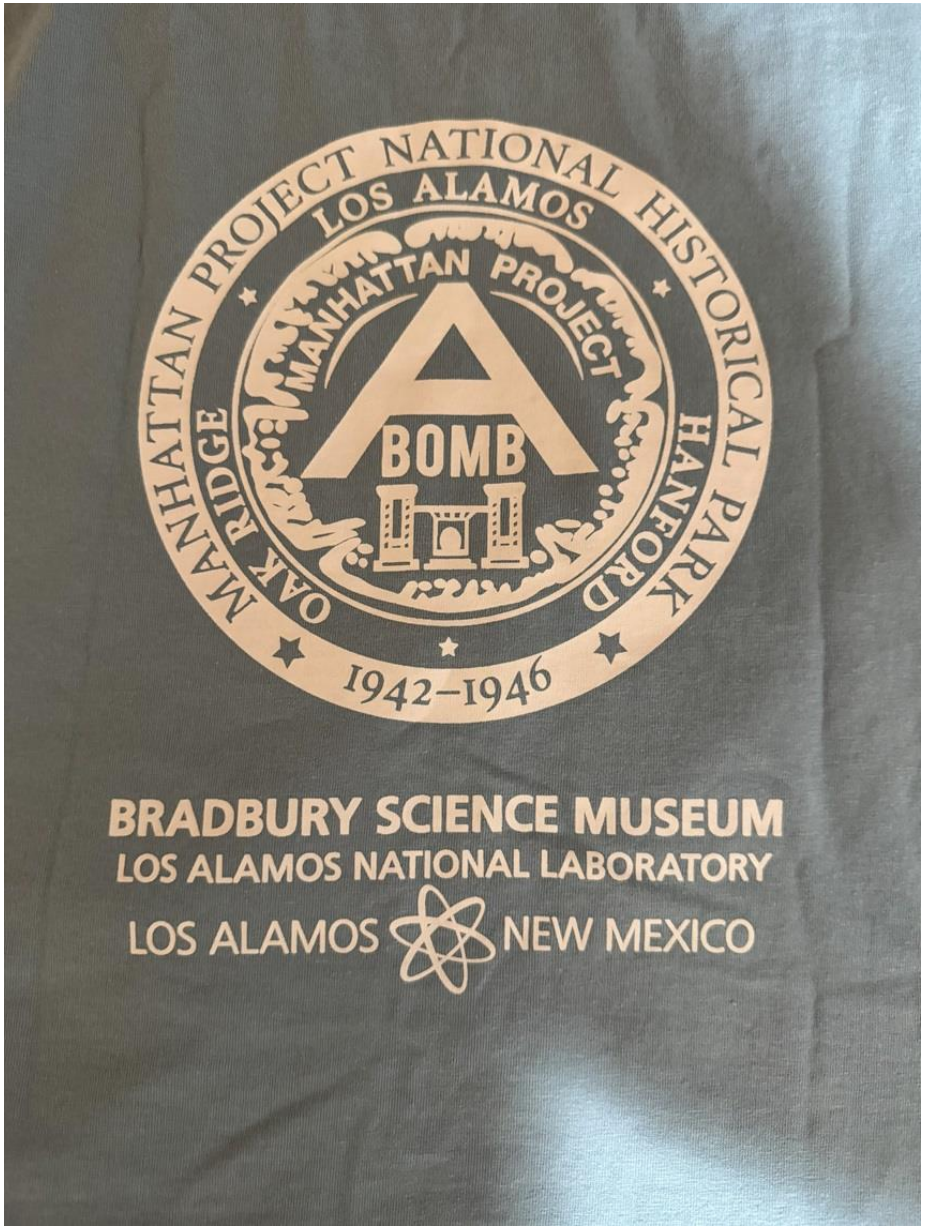
First trip on my new BMW R1250 GSA

1,875 miles in four days, visiting Leslie in Albuquerque, New Mexico, and Bruce & Mary in Tucson, Arizona……..

Stopping by in Los Alamos, NM…..

HARLEY-DAVIDSON
MOTOR CYCLES
MANHATTAN PROJECT
was a secret army post, home to Project Y, and
nted military-civilian collaboration to develop
b. It was isolated from the world yet reliant
nities, with a rapidly growing population of
ivilians, refugee scientists, and families.



MANHATTAN PROJECT NATIONAL HISTORICAL PARK
LOS ALAMOS
MANHATTAN PROJECT
A
BOMB
OAK RIDGE
HANFORD
1942–1946
BRADBURY SCIENCE MUSEUM
LOS ALAMOS NATIONAL LABORATORY
LOS ALAMOS NEW MEXICO

This is a “paradise of the nuclear engineering”……

Meadows of NM in the Wheeler Peak area.

In front of Leslie’s house in Albuquerque.

Crossing the state line……..

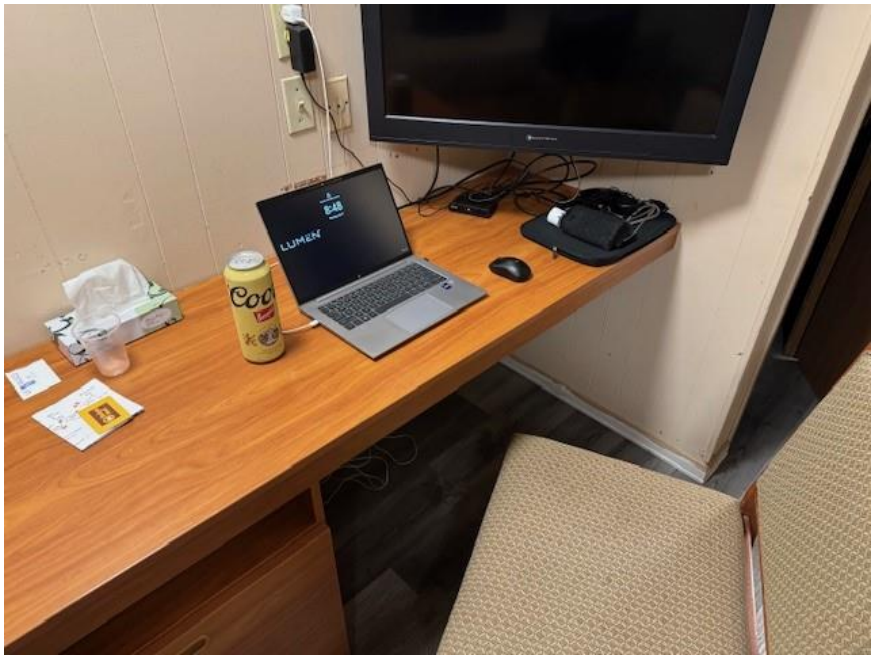
Mitsy #7

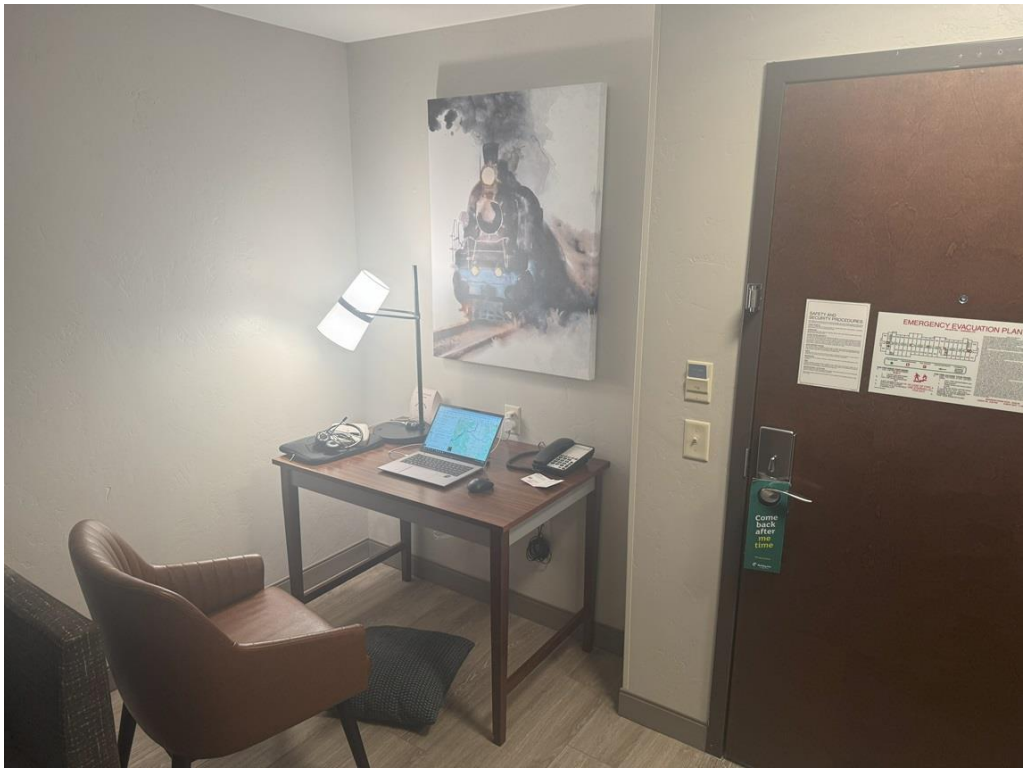
Arizona – one of the “colder days”

FORT APACHE RESERVATION

….and back to New Mexico – SHIPROCK

First evening on the road
(hotel room in Trinidad, Colorado)





Last evening on the road
(hotel room in Durango, Colorado)
