

Back in August 2017, I bought my first ever Harley-Davidson motorcycle.  
It was brand new **Harley-Davidson Dyna Fat Bob FXDF 2017.**

Also I became a member of the **HOG Denver Chapter,**  
chapter #3188, located in Golden.

This is how the bike looks as of today, after a few upgrades and enhancements.

My first ride with this group, as a new member. The ride started in front of our “home H-D dealership”, Avalanche Harley in Golden.....
